

MealTime Apply Online:

Your Guide to Applying for School Meal Benefits

MealTime Apply Online is a secure and convenient way to apply for school meal benefits from the privacy of your home. Follow these simple steps to complete your application:

Step 1: Access the Website at: <https://www.mealtimeapps.com>

Step 2: Find Your School District

1. **Select your state** from the dropdown menu.
2. **Enter the first few letters** of your child's school district name in the search box.
3. When your district name appears in the list, **click on the name**.
4. Click **"Continue"** to begin your application.

Step 3: Complete Your Application

1. **Add your information** as the signer of the application.
2. **Add your student(s) information** as requested.
3. **Review your details carefully**. The **"Back"** button will allow you to go back and make corrections at any point in the process before submission.

What Happens Next?

After your application has been signed and submitted, someone from your student's school will be in contact with you to inform you of your determination.

Thank you for using MealTime Apply Online!
